## **LUBA Workers' Comp names Brandi Gonzales to Premium Audit and Billing Manager**

**Baton Rouge, La.** (February 16, 2016) – LUBA Workers' Comp has named Brandi Gonzales as Manager of their Premium Audit and Billing department.

Gonzales began her career with LUBA in 2004 in the Billing and Audit department working as an Analyst and then Team Coordinator. She was promoted to Supervisor in 2010 and served in that role until she was named head of the department this year. Through her years at LUBA, Brandi has been responsible for premium audits of policyholders, billing procedures and data reporting and compliance with the National Council on Compensation Insurance (NCCI). In her new role as Premium Audit and Billing Manager, Gonzales interfaces with LUBA agents, policyholders and oversees day-to-day operations of the department.

“Brandi’s passion for the industry and loyalty to the company is demonstrated by the nearly 12 years she’s been with LUBA,” said Mike DePaul, Chief Operating Officer. “Her experience coupled with her diligent work ethic more than qualifies her to oversee this crucial department.”

She is a member of the National Society of Insurance Premium Auditors and sits on the Board of Directors for Cancer Services of Greater Baton Rouge.
