

LUBA CARE QUALITY PROVIDERS FROM A QUALITY CARRIER

LUBA Workers' Comp prides itself on customer service and views the medical community as a way to expand on that service. This is why we developed **LUBA Care**, a list of providers dedicated to providing quality care for your employees. These providers are advocates of our Prompt Return to Work Program and are committed to helping your injured employees return to work as soon as medically appropriate. We are convinced that if you utilize the **LUBA Care** provider listing you will increase your ability to save premium dollars through reduced medical and claims costs.

LUBA Care is a department within LUBA Workers' Comp and, like our organization, is dedicated to developing relationships with our providers in order to ensure that you, our insured, have a list of options available for medical care. Our staff is available for any assistance or information you may need.

Prompt Return to Work

Prompt Return to Work (PRTW) is a team approach to helping an injured worker get back to work as soon as possible. The team consists of the worker's employer or supervisor, vocational rehabilitation counselor, LUBA's claims adjuster, injured worker and the treating physician.

WHAT ARE THE BENEFITS OF PRTW?

Avoided Cost Impact

- Cost of replacing the injured worker
- Cost of hiring temp employees
- Cost of training new staff
- Reduced productivity
- Poor morale

Injured Worker's Impact

- Limited loss of income
- Increase Self-esteem
- Healing process expedited
- Builds loyalty
- Increases belief in the company's desire to do what is best for the employees.

Provider Listing

Our provider listing includes various specialties, medical clinics and facilities, and pharmacies throughout the state. These providers are well versed in the Workers' Compensation system and know what is best for your injured employee. Using the providers on this list may help keep your medical costs down and get your employees back to work as soon as medically possible.
